EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Santisi on 3/22/05.

The application has been amended as follows: claim 15 should read as follows:

15. A computer program product comprising:
a medium storing the program product and
readable by a computer, the computer readable medium having
computer program code adapted to:
allocate non-pinned memory requests
from a first boundary of a physical memory space defined
between the first boundary and a second boundary; and
allocate pinned memory requests from
the second boundary of the physical memory space.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest the combination of claim elements specifically including at least allocating non-pinned memory requests from the first boundary and pinned memory requests from the second boundary in a physical memory space.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
